# Keyboarding/ Typing

## All letters practice

**Note:**

1. Our fingers will always remain on home row. Our finger will enter/type the key on any row either Top Row or bottom row and will come back at Home Row. Home row keys provide reference point for every other key.
2. While typing these letters keep speaking also.
3. While typing eyes should be on screen, not on keyboard.
4. No mistakes, Slower is Faster. Focus on accuracy rather than speed.
5. Practice for 1-2 hours morning and 1-2 hours evening. 10-12 set of words.
